

Expert public procurement consultancy for Buyers and Suppliers at your service

PASS CONSULTANCY

BiP's Procurement Advice and Support Service (PASS) provides organisations with access to experts in public procurement practices and procedures, thus helping you develop and deliver effective and efficient procurement. Our team offers a range of services to meet your specific needs. Whichever area you wish evaluated and improved, we have the experts to help.

The PASS consultancy's mission is to help you deliver the best in government procurement through:

- Practical solutions to improve procurement performance
- Innovative approaches to knowledge transfer within government
- Joined-up government
- Improved performance indicators
- Strategic direction and performance
- Opportunities offered by e-government
- Capacity to deliver change to meet identified needs
- Continuous improvement of services and challenging poor performance
- Sustainable development within decision-making processes and delivery of services
- EU-compliant processes
- Best practice procurement training

PASS HEALTH CHECK

The PASS service can help your organisation examine its current procurement organisational structures, strategies, processes, practices and related strengths and weaknesses. It delivers a detailed PASS Mark Health Check Outcome Highlight Report (OHR) that outlines areas of strength as well as those requiring further attention, and provides an outline Project Initiation Document (PID) designed to deliver a more effective and efficient tendering process that will help you achieve optimum performance and better value-for-money procurement.

PASS – HELPING YOU MEET KEY OBJECTIVES

The key objective of public procurement professionals is to ensure that the most suitable supplier is selected to provide goods and services on terms which are likely to offer the best value for money. The PASS service helps you meet this requirement and deliver contracts that offer best value-for-money terms with suppliers who will execute them efficiently.

PASS TRAINING

Our consultants can provide you with bespoke training packages to suit your needs. Consultancy and training is available for the following: environmental purchasing, partnering, evaluation, e-government, supplier debriefing, UK legal processes and precedents, contract management, EU-compliant tendering and much more.

PASS ONLINE GUIDANCE

The PASS service provides online guidances on all aspects of the public procurement process and legal requirements: www.bipsolutions.com/html/briefing.php

PASS – CAPS SERVICE

Introducing CAPS – the public sector's guardian through the EU public procurement process, helping you to quickly access in-depth, authoritative EU public procurement procedure assistance. We are now pleased to offer your organisation access to this vast knowledge base as and when required, through subscription to BiP's new Contract Administration & Process Support (CAPS) helpline service. The CAPS service level agreement aims to answer 99% of your enquiries within one working day and 85% of these within one working hour.

PASS IN-HOUSE PRESENTATIONS

PASS consultancy can provide you with in-house presentations directed to buyer or supplier. Each presentation will be bespoke to your requirements, whether they be with regards to improving your tendering practices or your procurement strategy or processes. Contact: pass@bipsolutions.com

THE PUBLIC PROCUREMENT NETWORK

PART TWO OF TWO

The European Public Procurement Network (PPN) is an international cooperation network of public procurement expert officials involving all EU Member States, including all the 2004 accession countries, EU candidate countries, European Economic Area members, Switzerland and other European countries.

The current participant states are:

Austria, Belgium, Bulgaria, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden, Switzerland, Turkey and the United Kingdom.

The PPN's objective is to strengthen the application of the procurement rules through a mutual exchange of experience and benchmarking. The network aims to create a reliable and effective forum for informal cooperation on problem-solving in cross-border public procurement. The European Commission strongly supports the PPN and is present in the network as an observer.
