

Round 5 for PFI

Private Finance Initiative and the Fire and Rescue Service – 5th round seminar
Monday 27 June 2005

The seminar provides an opportunity to feedback on the initial Expressions of Interest submitted to ODPM by 31 May 2005, and to learn about the way forward for the Round 5 PFI bids.

By the end of the seminar you will:

- appreciate the areas of interest and scale of investment required, based on the initial Expressions of Interest submitted to ODPM
- have a better understanding of the requirements and criteria for submitting a successful PFI bid
- gain insight into best practice for the preparation of Outline Business Cases and the development of a Fire & Rescue Service Procurement Pack
- understand how PFI fits with the National Procurement Strategy and the role of FiReBuy
- network with other Fire & Rescue Authorities and discuss opportunities and ideas to help shape detailed bids for the next stage of the process

The seminar is intended to help Fire and Rescue Authorities understand the requirements of the PFI Round 5 bid process and is being delivered by ODPM in conjunction with the 4Ps and PKF.
