Background Notes

1. The figures exclude Council Tax Benefit and all other discounts, are before any amounts written off for bad or doubtful debt, and reflect any correction to liabilities made after billing.
2. The information in this statistical release is derived from the final Quarterly Return of Council Taxes and Non-Domestic Rates for 2006-07 (QRC4). The figures may differ from the final audited figures supplied to the Audit Commission for the Best Value Performance Indicators.
3. QRC4 forms were received in time for this release from all 354 billing authorities in England.
4. The figure of £12 million quoted in the release estimates the extent by which the total council tax collected in year in 2006-07 exceeds the amount that would have been collected in 2006-07 if the national collection rate had not increased from last year's figure of 96.8%.
5. For press enquiries about this Statistical Release please contact the Local Government press desk on 020 7944 3042 or email press.office@communities.gsi.gov.uk. For other enquiries please telephone John Farrar on 020 7944 4158 or email grc.statistics@communities.gsi.gov.uk.
