Strategy & Development Manager

Salary - £31,754 - £37,206 per annum (subject to job evaluation)

Closing date: Monday 6th February

Cardiff Council is transforming the way in which it provides services to our customers and has developed a new operating model for its Commissioning and Procurement activity. To support this change the Council are looking to recruit an enthusiastic and motivated professional to lead the Strategy and Development Team.

As Strategy and Development Manager you will be responsible for co-ordinating the development and implementation of Commissioning & Procurement related strategy, policy procedures and processes supported by the use of technology.

You will be required to improve awareness and understanding of Commissioning & Procurement throughout the Council to ensure corporate objectives are met and the appropriate governance practices are applied against change initiatives.

The successful candidate will have a successful track record of initiating and leading change in a similar environment. Experience in managing a team of staff is vital as well as having the ability to develop positive relationships with relevant Service Areas and supporting them in the development of new policies and strategies.
